ACADEMICS

Qualification	Institute	Board / University	% / CGPA	Year
B.Tech (CSE - 7th sem)	Vellore Institute of Technology	VIT University	8.81/10	2026
XII	Maharishi Vidya Mandir, Jabalpur	CBSE	78.6%	2022
X	Maharishi Vidya Mandir, Jabalpur	CBSE	79.2%	2020

Certifications	● **AWS** Academy Graduate - AWS Academy Cloud Architecting ● **Cloud Computing** by IIT Kharagpur offered through NPTEL ● The Bits and Bytes of Computer Networks by Google offered through Coursera ● Python A-Z™: Python For Data Science offered by Udemy	2025 2024 2023 2023
Achievements	● Selected among top 500 students globally for the **Ericsson** Academic Training Program ● Awarded a scholarship under Deen Dayal SPARSH Yojana by India Post	2024 2017

INTERNSHIP   2 MONTHS

MagicPin (Hybrid)	Gen AI Intern	May 2025 - June 2025
Roles and Responsibilities	**Gen AI & Conversational Interfaces** ● Developed a WhatsApp-based **GenAI** chatbot enabling users to search for food, fashion, etc. ● Integrated personalised food recommendation engine using user context and historical data ● Enhanced **Magicpin's** personal support bot with conversational AI capabilities ● Collaborated with tech and product teams to ensure scalable integration across key user workflows	

PROJECTS

Get.Fit	● **Tech Stack -** Python, FastAPI, Google Gemini, Google Fit, MongoDB, HTML, CSS ● Developed a smart health tracking app integrated with Google Fit for vitals monitoring ● Added a feature to send regular summaries and real-time alerts for proactive health management
AI Tutor	● **Tech Stack -** Python, FastAPI, MongoDB, OpenAI ● Developed an AI tutor that assesses the user's proficiency to generate personalized responses ● Developed a YouTube video summarizer, transforming lengthy video content into concise notes
EventGenie	● **Tech Stack -** Python, FastAPI, Google Gemini, MongoDB, MCP, Redis, Google Places, HTML ● Developed EventGenie, an AI event planner with venues, budgeting, restaurants, and activities. ● Integrated Google Gemini and Google Places API for intelligent venues, budgeting, and scheduling.
Note-Taking App	● **Tech Stack -** Python, FastAPI, MongoDB, Bootstrap ● Developed a basic note-taking application using CRUD APIs to learn the FastAPI framework

CORE COMPETENCIES

	Data Structure and Algorithm, Operating Systems, Database Management, GenAI, Cloud Computing, Computer Networking
Programming	Python, FastAPI, Flask, Pandas, Numpy, HTML, CSS, Bootstrap, Java
Databases/Cache	MongoDB, SQL, Redis
Cloud	AWS, GCP
AI/Tools	OpenAI APIs, Gemini, MCP server, GitHub, Cursor, Postman, MS Office, Canva
Soft Skills	Leadership, Communication, Teamwork, Problem Solving, Analytical Skills, Learning Agility

POSITIONS OF RESPONSIBILITY

MVM, Jabalpur	● Vice Captain, Assembly Committee ● Junior Prefect of Parashar House

CO-CURRICULAR & EXTRACURRICULAR ACTIVITIES

Technical	● Member, Google Developers Group ● Competitive Programming - LeetCode, HackerRank, Code Chef
Social/Sports	● Karate - Yellow belt
Interests / Hobbies	● Travelling, Cooking, Gaming
